

The PhD Project Hall of Fame
2013 Honoree
dt ogilvie
Dean, Saunders College of Business
Rochester Institute of Technology

“Dr. ogilvie has served as a beacon and role model for excellence in teaching, rigorous research and broad-based service that is a spur to action for all members of The PhD Project. As a recognized instructional and motivational speaker on subjects related to entrepreneurship, dt takes time to casually work with new and emerging scholars to identify their action plans that can lead to success in the academy. She works to promote The PhD Project on a daily basis through her teaching at project-related conferences and direct service as a faculty advisor, mentor and coach.”

Dr. dt ogilvie is Dean and Professor of Business Strategy at the Saunders College of Business at the Rochester Institute of Technology. She is formerly Professor of Business Strategy & Urban Entrepreneurship at Rutgers Business School – Newark and New Brunswick. She was Founding Director of The Center for Urban Entrepreneurship & Economic Development (CUEED) and Founding Director of the Scholarship Training and Enrichment Program (STEP), which helps underprepared incoming freshmen succeed at Rutgers Business School. She was previously Associate Provost of Information Technology Strategy and CIO at Rutgers, The State University of New Jersey - Newark. She was also Professeur Associe Invite de Gestion Strategique a l'Universite de Reims, Champagne-Ardennes, France, where she was a Fellow of EUROP (Equipe Universitaire de Recherche sur les Organisations et leurs Performances) a Reims. Dr. ogilvie is a Sam M. Walton Free Enterprise Fellow, a GE Teaching Fellow, and an IC2 Global Fellow, and was an Institute for Research on Women Funded Faculty Fellow, a Fellow of the Center for Women and Work, a School of Business Fellow, and a BEST Fellow.

She earned her Ph.D. in Strategic Management from The University of Texas at Austin, her MBA in Strategic Management and International Strategic Management from the Executive MBA Program at Southern Methodist University, her BA in Sociology from Oberlin College, and attended The Wharton School of Business at The University of Pennsylvania.

Dr. ogilvie's research interests include executive leadership strategies of multicultural women executives; women in the executive suite; strategic decision making and the use of creativity to enhance business and battlefield decision making, and applying complexity theory to strategy and creativity; resource-based decision making by entrepreneurs; assessing environmental dimensions; strategic thinking in the 21st century; economic development of the inner-city; e-commerce business models; effective communication for women in business; and technology transfer and countertrade issues in the People's Republic of China.
